Your Quadrant

All congregants line up
at the platform starting here:

Ambo

- X** 1. Where you go first to get a chalice from one of the priests. When the priest says "The gifts of God..." turn 180 degrees (outward toward the congregation) and raise your chalice.
- 2. START point for your quadrant.
- -** 3. STOP point for your quadrant.

Give Them The Cup

Other Tips

Rotate and Wipe

After each person drinks and you take the cup back, rotate it a little and wipe where they drank with the purificator.

Children

Small children will not be able to grab the cup. Most dip their bread instead. Help them by getting the cup VERY low – low enough for them to see into the cup.

Receiving Communion

When your quadrant has no more people, go back to the **X** to receive communion from a clergy person.
